Moving to Cologne

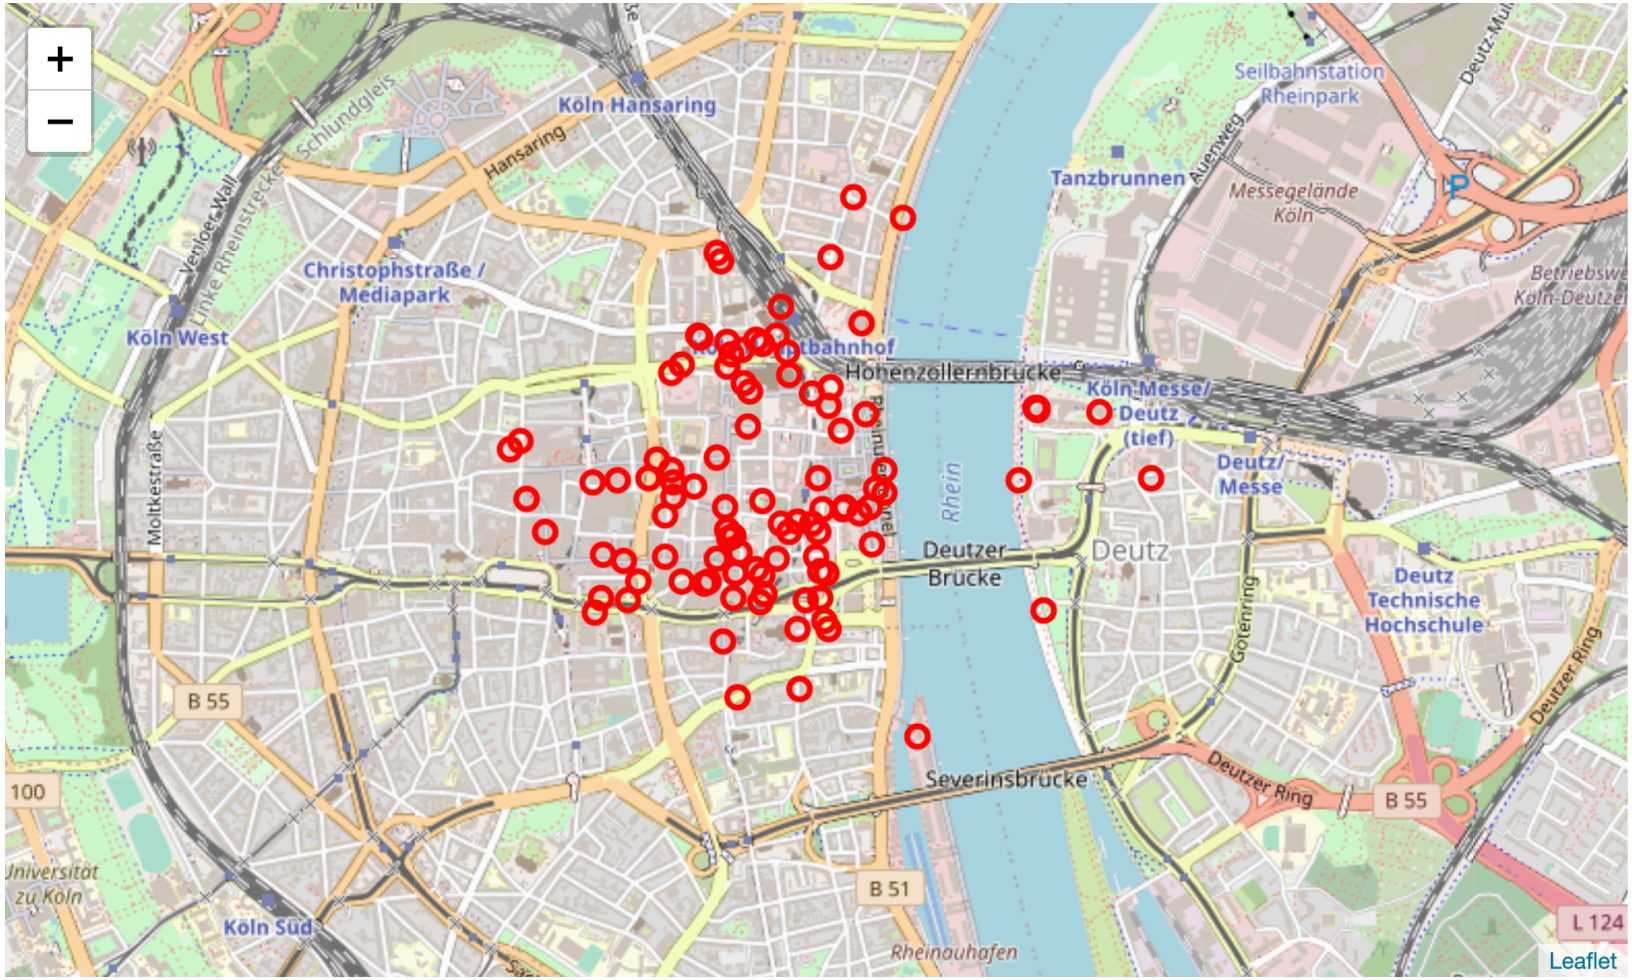
Hi There!

Your company has entrusted us with the responsibility of making your forthcoming move to Cologne(Köln) Germany, smoother.

Moving to an absolutely new place is never an easy decision. Especially if you are moving to a country where they speak a different language.

We have explored the city and found some great places of interest for you. We also have some recommendations about the suburbs you can consider. All the best.

Places to explore in the Cologne city



The city center is by the Rhine river as you may see in the image on the previous slide. There are many places of interest in the city center all within walking distance of just one kilometer. Pictures of some of these places.
